

## Why should you study in UK?

**Our visa success rate in 2010 is 100% and our students get priorities & faster processing at VFS**

- Simple Visa processing
- Living in London and being in Europe is much desirable to most students
- Visa is being processed within **few days**
- Need to show only **Tk 12 lac** in student's bank account or joint with sponsor's bank acc
- Tuition fee starting from Tk 3.45 Lakh / year only
- Visa success rate is 100% in 2010
- Only work with Highly Trusted Colleges and Uni
- Take full responsibilities on your payment. If Visa refused, draft returned back within 24hrs

UK is very flexible with visa at the moment. Anybody can be your sponsor as long as you keep the required fund in your own account for 28 days before lodgement of visa. We work with only Highly Trusted Colleges and Uni. And take full responsibilities for your money. We actually keep your bank draft with us till you get the visa, if no success we refund your money immediately.
